

IVECO

NEW DAILY

**NEW DAILY
ACCESSORIES**

STRONG BY NATURE

The new Daily has been entirely redesigned to meet all light commercial transport needs. In the same way, IVECO Accessories has developed a new product line, to better respond to every need, even when the work gets tough.

The new accessory range offers:

- **Highest quality in materials and the production process.** In developing our accessories, only the best suppliers were selected;
- **Greater safety for hauliers, motorists and pedestrians.** All accessories have been designed and tested according to IVECO standards to guarantee optimal protection;
- **Extensive customisation** to meet every need, enhancing vehicle aesthetics.

Flooring kit

LOAD SPACE TRIM

The load space trim has been custom-designed for the new Daily. The flooring can be easily removed, yet remains firmly in place.

The panels provide the vehicle with the best possible protection as they are extremely resistant to humidity, chemical agents and scratches. The flooring is manufactured from 12mm phenolic laminate and the side panels are manufactured from 4mm propylene with an internal honeycomb structure.

LUGGAGE RACK

There are a wide range of luggage rack options covering each configuration type and wheel base. It is made from a lightweight aluminium structure that is totally corrosion-proof, easy to repair in case of damage and maintenance-free. It can be easily installed on the existing fixing points and without having to perforate the bodywork. Roof-top anchoring distributes the load in an even and safe manner. Two versions are available; standard and long, to satisfy all needs.

PN	DESCRIPTION
500050810	STANDARD LUGGAGE RACK (2600 X 1700 mm) 3000 WHEELBASE
500050811	LONG LUGGAGE RACK (3000 X 1700 mm) 3000 WHEELBASE

ROOF SPOILERS

The original roof spoilers offer an excellent aerodynamic solution to reduce fuel consumption and come in both fixed and adjustable versions. A solid but lightweight build comes into play thanks to the use of structural webbing and internal ribs coupled with resin. The inserts are treated to give excellent mechanical strength, thanks to the use of structural frames made from corrosion-resistant materials and installation is fast and simple.

PROFESSIONAL SAFETY SYSTEMS

The high quality reversing safety systems provide a greater range of vision when performing manoeuvres. Each product is designed to provide maximum reliability during standard and heavy-duty use. Three kits are available with TFT LCD colour monitors, together with either one or two waterproof cameras.

Complete **REAR VISION KIT** includes:

- Built-in professional camera CM-12 waterproof IP67 with 170° wide angle FOV
- TFT LCD 4.3" colour monitor, format 16:9, 12/24V
- 9 m cable

PN DESCRIPTION

500050709 | [PARKING SENSOR](#)

TOOLBOX

Steel toolbox:

Made of matt stainless steel with a 1.2 mm thickness and fitted with a Europlex latch. Perfect for outfitting any type of vehicle thanks to the wide range of accessories and customisations available.

Polyethylene toolbox:

Made of medium-density polyethylene, it has an exclusive locking system with innovation double-release latch and "M.L.D." magnetic device preventing accidental opening. It comes with key and keyhole cap.

Matt stainless steel case

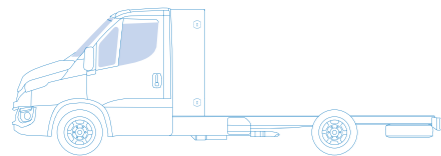

Thermoplastic case

PN	DESCRIPTION
500050200	MATT STAINLESS STEEL CASE 500X350X400 mm
500050577	THERMOPLASTIC CASE 400X350X400 mm

REAR CAB WALL STORAGE BOX

Electro-galvanised steel rear cab wall storage box in "Iveco White".

PN	DESCRIPTION
500050210	REAR CAB WALL STORAGE BOX IN WHITE PAINTED STAINLESS STEEL 500X1200X1870 mm

FIRE PREVENTION

MANUAL FLAME INHIBITOR

Aerosol flame inhibitor, compact and easy to use. Battery operated, with an LED signalling the state of charge.

- Dimensions: diameter 3cm. length 34cm
- Total weight: 250g
- Fire class: A,B,C
- Electric activation
- 1.5V alkaline battery
- International patent

PN	DESCRIPTION
500050745	EOLO - FIRE PREVENTION

EMERGENCY AND FIRST AID KIT

Kit includes:

- Black clutch bag with Iveco screen printing
- Hi-vis vest
- Compact Euro micro triangle
- Torch with 19 white high-brightness LEDs, with non-slip grip and 3 batteries included
- First aid kit certified DINI 3164
- Bulb and fuse set

PN	DESCRIPTION
500050777	EMERGENCY AND FIRST AID KIT

FUEL ANTI-THEFT SYSTEM

Tested by Iveco for the new Daily, the fuel anti-theft system provides the following advantages:

- Prevents fuel theft, limiting the amount of fuel that can be extracted
- Indestructible with its aluminium “dome” base that is 4.4 cm thick
- Quick refuelling at 120 l/min
- Easy and fast installation

The best fuel anti-theft system around, as proven by independent tests.

PN	DESCRIPTION
500051030	FUEL ANTI-THEFT SYSTEM

TYRE REPAIR AND INFLATION SYSTEM

The complete kit includes:

- 15 Amp compressor able to inflate tyres to high pressures quickly
- 8m long electric cables with calliper connectors for direct battery pole connection
- 620ml bottle of sealant fluid, able to repair holes caused by objects of up to 8 mm in diameter on tubeless tyres.

The special kit configuration does not require valve disassembly.

PN	DESCRIPTION
500050780	TYRE REPAIR AND INFLATION SYSTEM

BATTERY CHARGER

The MXS 7.0 universal battery charger can charge batteries up to 150 Ah despite the compact size. It features the exclusive CTEK reconditioning plan for stratified batteries, aside from a steady power supply special function. It can be used as a power supply to replace the starter battery of your vehicle without losing important settings. Ideal for “Start & Stop” vehicles.

PN	DESCRIPTION
500025746	BATTERY CHARGER

ALARM AND TELEPHONE DIALER KIT

The alarm system with telephone dialler, volumetric/perimeter alarm system with SMS transmission and mobile dialling. The system protects the engine compartment (where the siren is stored), cab and storage compartment.

General characteristics:

- Central locking
- Built-in volumetric ultrasound sensors
- GSM alarm with engine lock-up
- SMS transmission with up to 10 numbers in case of alarm
- Mobile alert call
- Perimeter protection
- Ignition lock-up protection
- Indicators flash with alarm engage/disengage

PN	DESCRIPTION
500050478	ALARM KIT WITH TELEPHONE DIALLER

MULTI-MEDIA SYSTEM

The "FULL VISION" multimedia system comes complete with navigation system and rear camera, providing a complete multimedia, navigation & reversing safety solution.

Kit includes:

- Multimedia system (PN 500050800)
- SD card (PN 500050801)
- Professional camera (PN 500050793)

Main characteristics:

- LCD/TFT wide 6.2" touch screen HI-SENS monitor with 800x480 resolution
- Dynamic drag-and-drop graphic interface
- DVD mechanics with multi-format comparability
- PLL radio synthesiser with RDS-EON system
- Integrated GPS module with active matrix antenna
- Bluetooth® with A2DP and AVRCP
- External loud speaker microphone
- Two rear USB ports with separate source management
- SD-card slot for Navigation SW
- iPod – iPhone audio control on screen
- Aux.AUDIO/VIDEO input
- Two additional cab USB ports
- Plug and Play connection, power supply and antenna
- Antenna and mask included
- iGo navigation software, TRUCK version
- Vehicle weight and size input system for optimal route calculation
- TomTom™ European maps, 43 countries
- Iveco and Camper points of interest
- First update included in price

PN	DESCRIPTION
500050796	COMPLETE MULTIMEDIA SYSTEM

RADIOS

IVECO DAB "PLUS" RADIO

- Removable face plate with LCD display
- Front SD card and USB port
- Bluetooth®
- CD/MP3/WMA player
- 4 channels × 40W MAX

PN	DESCRIPTION
500050803	IVECO DAB "PLUS" RADIO

IVECO DIGITAL RADIO USB, (SD), AUX-IN

- Removable face plate with LCD DOT matrix white illumination display
- Electronic anti-shock
- DSP Sound effects equaliser (Classic-Rock-Pop-Flat)
- 18 station storage in FM and 12 in AM
- FM-AM-RDS-PLL EON radio
- 1 SD Card slot Max 8GB
- 1 front USB port Max 8GB

PN	DESCRIPTION
500050806	IVECO DIGITAL RADIO

PORTABLE NAVIGATOR

5" high resolution (800x480 pixels) touchscreen, complete TomTom™ Europe map, includes Russia, with free 2-year updates.

- Size 134.7x86,6x12.7mm
- 2D/3D Visualisation
- Speed assistance and Autovelox alert
- Real View and lane assist
- 36-month warranty from purchase date of end user.

Package contains: vehicle battery charger with integrated TMC receiver, window mount, mini-USB cable, instruction manual, 9 character display with adjustable brightness, removable face plate.

PN	DESCRIPTION
500050570	PORTABLE NAVIGATOR

BLAUPUNKT HEIDELBERG 220BT RADIO

- CD/USB/Aux-in synthesizer with integrated Bluetooth®
- Integrated Bluetooth® with speaker phone function and audio streaming
- Comparable CD player with CD-DA, CD-R, CD-RW support
- Front USB, SD and Aux-in input
- WMA and MP3 player with function ID3-Tag (shows files and folders)
- FM/AM World Tuner RDS radio
- Stores up to 25 radio stations
- Max power output 4x45W
- 9 character display with adjustable brightness
- Removable face plate

PN	DESCRIPTION
500050620	BLAUPUNKT RADIO HEIDELBERG 220BT

COMFORT

SEAT COVERS

The line of seat covers for the new Iveco Daily is designed to meet all needs and have a working environment tailored to your personal needs.

PREMIUM BLUE LINE

Original breathable microfibre fabric, customised with Iveco logo and blue inserts.
