

Iveco included in EU Commission investigation

The European Commission has announced an investigation on the leading manufacturers of commercial vehicles within the European Union.

The investigation, which covers several Member States of the European Union, involves Iveco and its controlled companies.

Iveco has taken note of this investigation and will cooperate fully with the representatives of the European Commission.

Iveco

Iveco designs, manufactures, and markets a broad range of light, medium and heavy commercial vehicles, off-road trucks, city and intercity buses and coaches as well as special vehicles for applications such as fire fighting, off-road missions, defence and civil protection.

Iveco employs almost 25,000 people and runs 23 production units in 10 Countries in the world using excellent technologies developed in 6 research centres. Besides Europe, the company operates in China, Russia, Australia and Latin America. Around 5,000 sales and service outlets in over 160 Countries guarantee technical support wherever in the world an Iveco vehicle is at work.
