## NEW STRALIS

The **NEW STRALIS** represents state of the art innovation in the heavy truck category, offering a package of product and tailored features, focused on the **productivity and profitability of real-life transport business**.

Now a real **TCO<sub>2</sub> CHAMPION**, thanks to its low-consumption, low-emission and low-total cost of ownership performance, **NEW STRALIS** has undergone a complete **driveline** revamping, from engine to tires; it has developed a new **electrical / electronic architecture**; it has adopted a best-in-class new **transmission**, new **rear axle** and new **rear suspension**.

In line with the enhanced features of the vehicle, IVECO Accessories offers a new generation of accessories developed specifically for your NEW STRALIS to provide the most exciting conditions for your daily work and driving experience.

Depending on your personality and to build your unique NEW STRALIS, you can choose **to enhance your vehicle's style** with a wide range of high-quality chromed details, or **your visibility** with special LED kits. Active and passive additional **safety and security systems** help you to better protect your NEW STRALIS and its load, while **hi-tech accessories** really bring the future on board. Last but not least, you can **personalize the comfort of your NEW STRALIS** with a comprehensive choice of accessories, designed to make your life on board as productive and comfortable as possible.

IVECO Accessories: an infinite choice of products. Details that make the difference. Join the new generation. Drive like a champion.

**DOOR COURTESY LIGHT**

LED illuminated with IVECO logo.

**The kit contains 2 pieces.**

PN	DESCRIPTION
500051788	Door courtesy light

# SAFETY

## REAR VIEW KIT, 5.6" SCREEN

### The kit contains:

- Professional waterproof built-in camera IP69K, with a viewing angle of 120°
- TFT LCD 5.6" colour monitor; 4:3 format, with 2 additional camera inputs, 12/24V, cable 18m

PN	DESCRIPTION
500050706	Rear view kit, 5.6" screen

## REAR VIEW KIT, 7" SCREEN

### The kit contains:

- Professional waterproof built-in camera IP69K, with a viewing angle of 120°
- TFT LCD 7" colour monitor; 16:9 format, with 2 additional camera inputs, 12/24V, cable 18m

PN	DESCRIPTION
500050705	Rear view kit, 7" screen

## FRONT/REAR VIEW KIT, 5.6" SCREEN

### The kit contains:

- Professional waterproof built-in camera IP69K, with a viewing angle of 120°
- TFT LCD 5.6" colour monitor; 4:3 format, with 2 additional camera inputs, 12/24V
- Colour micro camera with prism lenses to allow frontal viewing with an angle of 30°, cable 18m

PN	DESCRIPTION
500050707	Front/Rear view kit, 5.6" screen

## TYRE PRESSURE MONITORING SYSTEM

The TPMS ensures that the temperature and pressure status of the tyres are always under control.

### The kit contains:

- 6 Valve-cap sensors
- Display L56\*W118\*H20mm
- 1 Repeter
- 7 Dustproof covers

### Characteristics:

- Pressure range: 0-12Bar / 0-174PSI
- Visual and audible warning
- Self-testing for each power-on
- Intelligent sleeping mode for power saving

PN	DESCRIPTION
500051793	Tyre pressure monitoring system

## HEATED REAR CAMERA FOR IVECONNECT

### The kit contains:

- Professional heated and waterproof camera IP69K, with a viewing angle of 170°. Automatic activation for anti fog and defrosting
- Plug and play connectors, cables

PN	DESCRIPTION
500051791	Heated rear camera for Iveconnect

## SAFE-DEPOSIT BOX

The **safe-deposit box** is hidden in the cabin, **underneath the bed** to keep your valuables safe.

Material: Stainless steel and endowed with stainless steel Euroinox locking system.

Thickness: 1.5mm.

PN	DESCRIPTION
500050216	Safe-deposit box

# SAFETY

## LADDER HOLDER

Made of stainless steel, you can easily load and unload your ladder with the utmost speed and safety.

PN	DESCRIPTION
500051779	Ladder holder

## FUEL SECURITY AND SAFETY DEVICE

The **fuel security devices** are proven to **resolve any haulier fuel security issues**, protecting your fuel.

PN	DESCRIPTION
500050869	Tank safe impregnable aluminium
500050870	Tank safe standard aluminium
500050871	Tank safe standard aluminium for rigid bodies

## HORNS

An unmistakable sound. These powerful electropneumatic horns are the best way of making yourself heard when needed. Made in stainless steel with high and low-tone horns with 24V solenoid valve.

PN	DESCRIPTION
500025950	Compressed air horn

PN	DESCRIPTION
500025949	Compressed air horn with spoilers

**TOOL BOXES**

Made of **polished, matte or flower-embossed** stainless steel, the boxes have plastic Europlex latches. They fit perfectly in the most diverse types of vehicles thanks to the **wide choice of customisations**.

PN	DESCRIPTION
500050577	Thermoplastic case 400x350x400mm
500050578	Thermoplastic case 500x350x400mm
500050579	Thermoplastic case 600x450x470mm
500050580	Thermoplastic case 700x450x470mm
500050581	Thermoplastic case 800x450x470mm
500050582	Thermoplastic case 1000x500x470mm
500050583	Thermoplastic case 1000x500x650mm

PN	DESCRIPTION
500050200	Matte stainless steel box 500x350x400mm 1.2mm thick
500050201	Matte stainless steel box 600x400x470mm 1.2mm thick
500050202	Matte stainless steel box 500x350x400mm 1.5mm thick

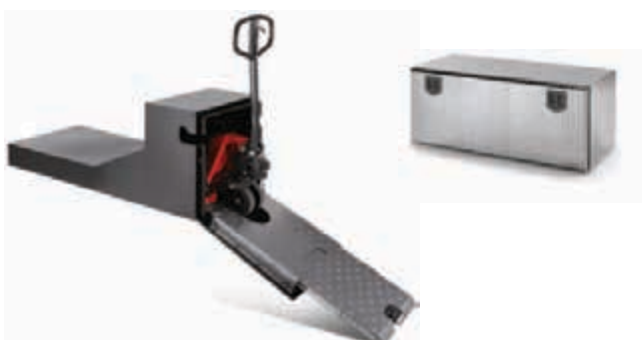

PN	DESCRIPTION
500050204	Oval flower-embossed stainless steel hand washing can - 285x245x400mm 1mm thick - 25L

PN	DESCRIPTION
500050205	Oval flower-embossed stainless steel hand washing can - 170x370x400mm - 25L

PN	DESCRIPTION
500050206	Flower-embossed stainless box can - 10L

PN	DESCRIPTION
500050211	Polished stainless box 800x500x500mm
500050212	Polished stainless box 1000x500x500mm

PN	DESCRIPTION
500050213	Flower-embossed stainless box 800x500x500mm
500050214	Flower-embossed stainless box 1000x500x500mm

PN	DESCRIPTION
500050208	Transpallet stainless steel box

# SAFETY

## EMERGENCY AND FIRST AID KIT

### The kit contains:

- Black clutch bag with IVECO screen printing
- Hi-vis vest
- Compact Euro micro triangle
- Torch with 19 white high-brightness LEDs, with non-slip grip and 3 batteries included
- First aid kit certified DIN13164
- Bulb and fuse set

PN	DESCRIPTION
500051796	Emergency and first aid kit

## BATTERY CHARGER

A powerful 24V battery charger, capable of delivering 14A to charge batteries up to 300Ah, and to maintain counters loads up to 500Ah.

PN	DESCRIPTION
500025749	Battery charger

## GPS LOCATOR

The GPS locator Mario is a **next-generation satellite protection system**. It allows you to locate the vehicle through an App, **displaying the position directly from the phone or computer screen**.

### Characteristics:

- Internet location: allows to check the routes taken, ability to report the kilometers traveled, fuel consumed, the speed limits exceeded and to control the stopping and driving times
- SAT Alarm: in case of theft, a message will be sent with the geographical location

PN	DESCRIPTION
500051469	GPS Locator

## MOBISAT A.T.L.A.S.

(Advanced Telematics Location Automotive System)

A.T.L.A.S. is plug & play. Thanks to the OBD-II standard it can be **easily plugged directly into the OBD port** of the vehicle.

### Characteristics:

- Satellite protection always active (detects theft autonomously)
- DTS detection (diagnostic trouble codes) for remote diagnosis of the vehicle electronics
- Real time tracking through Greenbox (Mobisat free mobile and web application)
- Virtual odometer (measuring GPS distance every 1 second)
- Green driving (detects harsh cornering, harsh accelerations and harsh braking)
- Vehicle crash detection

A.T.L.A.S. needs a SIM card (not provided).

PN	DESCRIPTION
500051797	Mobisat A.T.L.A.S.

## TACHOGRAPH

Electronic instrument with functional features, safety and accuracy that allow significant progress in matters of:

- Road safety
- Regulatory compliance
- Improvement of working condition for drivers
- Easy management for transport companies

### DLK PRO DOWNLOADKEY

With this device, it is **possible to download data from any type of digital tachographs**. The device is equipped with an **integrated chip card reader** fast downloading of the driver-cards.

**It is possible to download:**

- Driver cards
- Mass memory
- Special data

**Characteristics:**

- Lithium battery
- Touch Screen
- Expandable memory
- Card reader integrated
- Internal clock synchronized with the DTCO
- USB for PC connection

All the "Download tools" do not require software installation on the PC.

PN	DESCRIPTION
5000502452	DLK PRO DOWNLOADKEY

### DLK PRO TIS COMPACT

With this device, it is possible to **download and make analysis of the data coming from any model** of digital tachographs. The device also has an outer slot for the **fast download of the driver-card**.

**It is possible to download:**

- Driver cards
- Mass memory
- Special data

**Characteristics:**

- Lithium battery
- Touch Screen
- Expandable memory
- Card reader integrated
- Internal clock synchronized with the DTCO
- USB for PC connection

Manage up to 5 vehicles and 10 drivers.

PN	DESCRIPTION
500050540	DLK PRO TIS COMPACT

## SMARTLINK

DTCO SmartLink is the **fastest and easiest way to communicate with the digital tachograph** using popular and modern smartphones with Android operating system.

It is a Bluetooth® USB key to apply into the interface of the DTCO.

After activating the communication with the smartphone by opening the free App, you can access a number of useful features for the driver.

PN	DESCRIPTION
500050979	SMARTLINK

# HI-TECH

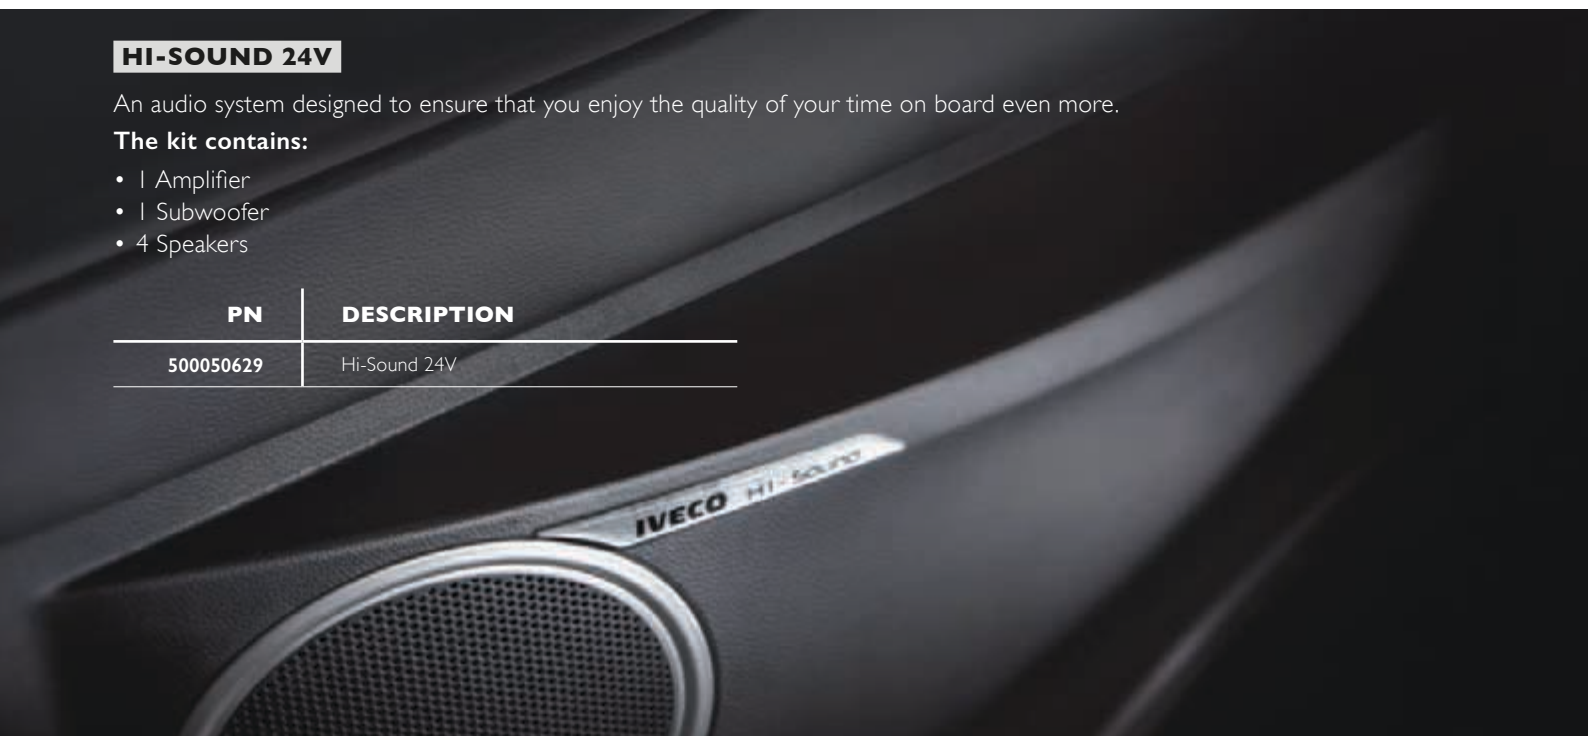

## HI-SOUND 24V

An audio system designed to ensure that you enjoy the quality of your time on board even more.

### The kit contains:

- 1 Amplifier
- 1 Subwoofer
- 4 Speakers

PN	DESCRIPTION
500050629	Hi-Sound 24V

## HI-VISION 24V

The Hi-Vision audio/video system combines innovation, technology and ease of use, creating the ideal environment for relaxation time.

### The kit contains:

- 1 Amplifier
- 1 Subwoofer
- 4 Speakers
- 1 DVD / USB / SD / VM071
- 1 Digital decoder
- 1 Monitor 19"

PN	DESCRIPTION
500051107	Hi-Vision 24V

## PROFESSIONAL CAR PHONE SYSTEM

### Technical description:

- Alone system with SIM card reader
- Removable handset
- Ability to connect a second handset
- No radiation in the passenger cell
- Automatic switching Radio mute
- Operating modes can be set individually
- Echo cancellation and interference by DSP
- Data transmission via GSM, GPRS, EDGE, UMTS & SMS
- Receive SMS and display facility
- Integrated GPS module (optional)

PN	DESCRIPTION
500051104	Professional car phone system

## PORTABLE NAVIGATOR TRAVEL PILOT 7" TRUCK LMU EU

- 7" high-resolution touch screen
- Dimensions: 188x114x12mm
- TomTom™ Europe maps for 43 countries, including Russia, with free upgrade for life
- Bluetooth® handsfree with simultaneous navigation and calls
- Automatic audio/video input for rear view camera
- Audio output
- Integrated eco-traffic light system
- Dedicated truck software: by setting dimensions such as the weight of the vehicle and the type of material to be transported, it will calculate the best route possible, taking into consideration the width of roads, height of tunnels and bridge weight limits for heavy vehicles
- 36 month warranty from date of purchase by end user

PN	DESCRIPTION
500051519	Portable Navigator Travel Pilot 7" TRUCK LMU EU

## IVECO DAB "PLUS" RADIO

- Removable face plate with LCD display
- Front SD card and USB port
- Bluetooth®
- CD/MP3/WMA player
- 4 Channels x 40W MAX
- iPod connection

PN	DESCRIPTION
500050803	IVECO DAB "PLUS" radio

## 3G WI-FI ROUTER

Device for 3G-connection in mobility, through SIM-card.

### Characteristics:

- Up to 10 Wi-Fi devices simultaneously connectable
- Internal Ion-Battery 1800mAh with 10 hours autonomy, re-chargeable through USB
- Slot Micro SD for memory-card up to 32GB for media sharing function to share Audio/Video files

PN	DESCRIPTION
500050991	3G WI-FI router

# COMFORT

## COFFEE MACHINE

The full aroma of **an excellent Lavazza coffee at your fingertips.**

Only 8cm in diameter, heats in just 2 minutes. **Makes one cup at a time.** Needs refilling with water after each cup.

PN	DESCRIPTION
500050319	Lavazza coffee machine
500050322	Dock
500050626	Wiring

## AIR BLOWER

Air blower kit for cab interior with an innovative and ergonomic design.

**The kit contains:**

- Air blower in metallic blue
- Universal connection for installation under the seat, spiral

PN	DESCRIPTION
500050999	Air blower

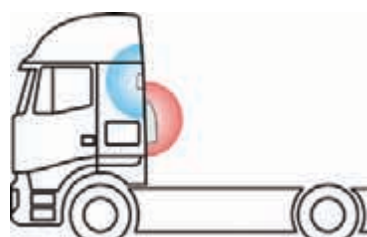

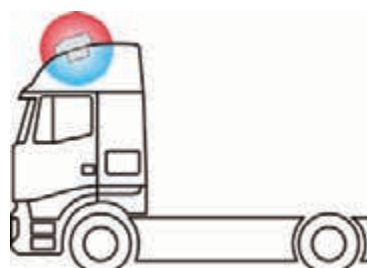

## STATIONARY VEHICLE AIR CONDITIONERS

The new Fresco 3000 air conditioner is IVECO's answer to **achieving maximum thermal comfort in the cab bunk zone** of industrial vehicles during night-time and daytime stops, with top-of-the-range real cooling power (950W - 3245BTU/h).

It **works silently and cleanly** with the engine off, lowering the temperature and reducing humidity in the way that only true air conditioners can, leaving the roof hatch free.

The **weight is now reduced**, thanks to the use of a single Danfoss BD350GH compressor, and the two available versions mean that the Fresco 3000 can be installed in any kind of cab without the use of specific installation kits.

PN	DESCRIPTION
500050400 500050401	Fresco RT
500025706	Fresco TOP
500025707	Fresco BACK
