DRIVER CENTRICITY
(NEW DASH PANEL,
INSTRUMENTS AND CONTROLS)

Every mission has a EUROCARGO right for it.

VERSATILE

From the urban environment to the most inaccessible off-road locations, Eurocargo can manage them all.

COMPLETE

The choice of vehicle is vast with over 11.000 vehicle combinations. A complete range for all.

ROBUST

The parallel straight frame ensures strength and light weight. The most robust choice for all missions.

CAPABLE

From the city centre to the harshest conditions, Eurocargo is capable for your need.

CONNECTED

IVECO Connected Services are designed to maximize uptime and your business productivity.

Exterior style.

Stylish in all environments.

The external appearance of the Eurocargo combines style with functionality. Headlamps with LED daytime running lights as standard, steps and grab handles to access the windscreen and side air deflectors designed to keep the door and mirrors clear even in adverse weather conditions.

Interior comfort.

Driver comfort and ease of use are the hallmarks for the Eurocargo cab. The new dash panel with the 10 inch instrument cluster and the 7 inch central display screen incorporating DAB radio, on request, provide the driver with all the information they need. The new steering wheel and steering column controls ensure that all is within fingertip reach of the driver.

Driving pleasure.

Every moment driving the Eurocargo is a pleasure thanks to the performance and driveability enhanced with the new instrumentation, the new multifunction steering wheel and new column stalk controls.

Versatile.

The right driveline for your mission.

The diesel engine on the Eurocargo is Tector 7 six-cylinder 6,7 litre diesel engine. The range includes three power levels from 220 to 280 hp, with a maximum torque of 1.000 Nm.

This engine is mated to 6 or 9 speed manual gearboxes or the 8 speed ZF automatic transmission to ensure the optimal driveline. A 6 speed Allison automatic transmission is also available for those missions that require it.

Tector 7

DIESEL ENGINE				
Euro III/V engines	No. of cylinders	Displacement	Power	Max torque
Tector 7	6 in line	6,7 litres	162 kW (220 hp) at 2.500 rpm	800 Nm from 1.250 to 1.900 rpm
			185 kW (250 hp) at 2.500 rpm	850 Nm from 1.250 to 2.050 rpm
			206 kW (281 hp) at 2.500 rpm	1.000 Nm from 1.250 to 1.950 rpm

Line up.

Diesel engine range 4x2 and 4x4.

Choose from 8 GVW, 3 engines powers, 3 transmissions types, 3 suspension types and 4 cab types Over 11.000 vehicle combinations are available. A line up that will meet all requirements.

Suspensions.

You can choose the suspension type to suit any mission:

- Parabolic or reinforced parabolic leaf springs for on road use.
- Semi-elliptical leaf spring for more rugged terrains.
- Air suspensions controlled by an ECAS (Electronically Controlled Air Suspension) system to guarantee a constant vehicle height regardless of the load, they can be fitted to either the rear axle only or to both axles. They allow the vehicle to raise and lower to meet loading decks.

Mission.

Urban delivery in the city, Regional delivery city to city, Construction, Municipal and off-road, Eurocargo has always got the ideal vehicle for your mission even for the most specialised applications.

Maintenance & Repair.

You can protect the value and performance of your vehicle, and your business productivity with a Maintenance & Repair offer.

Our maintenance and repair contracts plans will maximize your vehicle's availability and you can rely on our skilled workforce and guaranteed high-quality IVECO Genuine Parts.

Combine the M&R elements to build a contract tailored to your needs:

MAINTENANCE

Maintenance and lubricants, oils and fluid changes according to the Maintenance Plan as described in the customer handbook.

WEAR

Covers clutch, brake pads, brake discs, brake drums or brake linings for drum brakes.

DRIVELINE

Covers engine, fuel injection, gearbox, transmission propeller shaft and axle repairs.

FULL REPAIR

Raises further the level of cover extending the DRIVELINE PLUS contract with repairs to the braking system (excluding wear components), clutch cylinder, suspension, heater, air conditioning, air compressor.

DRIVELINE PLUS

Provides an intermediate level of protection, adding to the DRIVELINE contract repairs to exhaust system, starter and alternator, other gearbox components, electricals and PTO Multipower.

Choose and combine to fulfill your requirements:

IVECO Service Solutions.

The complete development of state-of-the-art vehicles is important to provide our customers with Mobility Solutions that best meet their needs. At IVECO, our goal is to improve the productivity and profitability of our customers' businesses. We do this by maximising vehicle uptime and efficiency, driver safety and environmental protection.

Uptime

IVECO Uptime Services are designed to maximize your vehicle's uptime by avoiding unplanned stoppages through real-time vehicle monitoring, remote diagnostics and maintenance and repair schedules.

Productivity & Efficiency

IVECO helps you reduce fuel consumption, optimise routes and improve your drivers' driving style through vehicle performance reporting and analysis, for a more productive and efficient business with lower running costs.

Driver Care and Safety & Security

Improves comfort and safety levels to make the driving experience easier and more enjoyable. Driver Care services are meant to assist you throughout your journey, making your experience behind the wheel easier and more comfortable. Safety & Security services are designed to promote a safer driving style, monitor the drivers' performance and increase on-road safety.

Parts & Accessories

Our extensive offer of high-quality parts and services enables you to customize your vehicle and enhance your life on board.

Services bundles.

All vehicles come with the connectivity box installed, allowing you to activate the Start Pack Standard and combine it with a choice of Premium Mobility Solutions.

Standard services bundle.

Start Pack

A set of services aimed to simplify your life on board with the following services:

- **IVECO ON Access** for you to monitor your vehicles and optimize your fleet performance and efficiency. Through the IVECO ON app, you can access remote commands including doors, windows and sunroof open /close, lights and climate control.
- **Uptime Monitoring & Management** to maximize your vehicles availability.
- The new **Easy Cargo App** to make your life as a driver easier.

Accessories

ENHANCED EXPERIENCE

IVECO Accessories

Customize your Eurocargo to perfectly match your requirements with our wide range of high-quality accessories specifically designed to boost your vehicle's efficiency and performance, increase your safety, and enhance your comfort.

Assistance Non-Stop

IVECO Assistance Non-Stop is just a phone call away 24 hours a day, 7 days a week to keep your Eurocargo and your business running.

IVECO Non-Stop is the original IVECO smartphone application that you can use to communicate with IVECO if your vehicle breaks down. Just insert your vehicle information (VIN and registration plate) and with a simple push of a button you can send a request for assistance to the IVECO Customer Uptime Center. We will take care of your request, activate the nearest workshop and follow up on the vehicle's repair. Through the app you can receive updates on the progress of your vehicle's assistance.

Genuine Parts

HIGH PERFORMANCE

IVECO Genuine Parts will keep your Eurocargo performing at its best during its long years at your service – and cost-efficiently. With these parts, you will enjoy the peace of mind of knowing they have been rigorously tested for safety, consistency and reliability, and come with a one-year warranty.
