

IVECO is Official Truck Partner of Alfa Romeo Racing and delivers fleet of vehicles for the team's logistics

Turin, 25th March 2019

IVECO is the Official Truck Partner of the Alfa Romeo Racing team and has officially handed over 12 Stralis trucks and a Daily van on 20th March at a ceremony held in Hinwil (Switzerland) and presided by **Axel Kruse, COO of Sauber Motorsport AG** and **Thomas Rücker, Business Director of IVECO Schweiz**.

The vehicles will ensure safe and efficient transportation of the team's equipment to all the **Formula One European Grand Prix** venues throughout the upcoming season. The proven track record of IVECO's vehicles, their reliability in a wide range of extreme conditions, and their exceptional fuel economy and low Total Cost of Ownership were key factors in Alfa Romeo Racing's choice of truck partner.

Thomas Rücker, Business Director of IVECO Schweiz, commented: *"We are proud to be entering into this partnership with Alfa Romeo Racing and provide transportation for the team's equipment. IVECO has a long tradition of partnerships and participation in the world of sports, and in particular racing, where our trucks can be seen competing in the Dakar Rally and the FIA European Truck Racing Championship. We look forward to the new racing season and wish Alfa Romeo Racing success"*.

Frédéric Vasseur, Team Principal Alfa Romeo Racing and CEO Sauber Motorsport AG added: *"It is a pleasure to welcome IVECO to Alfa Romeo Racing as Official Truck Partner. Having a reliable and safe means of transportation for our equipment is an essential aspect of our logistical operations in Formula One. With IVECO, our team has an experienced partner by our side and we look forward to this collaboration"*.

PRESS RELEASE

IVECO

IVECO is a brand of CNH Industrial N.V., a World leader in Capital Goods listed on the New York Stock Exchange (NYSE: CNHI) and on the Mercato Telematico Azionario of the Borsa Italiana (MI: CNHI). IVECO designs, manufactures and markets a wide range of light, medium and heavy commercial vehicles, off-road trucks, and vehicles for applications such as off-road missions.

The brand's wide range of products include the Daily, a vehicle that covers the 3.3 – 7.2 ton vehicle weight segment, the Eurocargo from 6 – 19 tons, the Trakker (dedicated to off-road missions) and the Stralis, both over 16 tons. In addition, the IVECO Astra brand builds off-road trucks, rigid and articulated dumpers as well as special vehicles.

IVECO employs close to 21,000 individuals globally. It manages production sites in 7 countries throughout Europe, Asia, Africa, Oceania and Latin America where it produces vehicles featuring the latest advanced technologies. 4,200 sales and service outlets in over 160 countries guarantee technical support wherever an IVECO vehicle is at work.
