

Press Release

8 December, 2022

IVECO announces limited edition Daily Tradie Made ‘Super Tray’

IVECO’s work ready Daily Tradie Made is back for a limited time with a longer 4.5m tray and with a 5-year / 250,000-kilometre extended warranty.

Based on the 45C18 Daily cab chassis, the Tradie Made ‘Super Tray’ features a factory-fitted 2218mm W x 4500mm L (internal) heavy-duty aluminium tray, allowing prospective buyers to have their vehicle on the job site and working sooner, rather than waiting weeks for body fitment through a third-party supplier.

Other benefits of the Australian-made tray include load restrain points, window protector and tube headboard, rope rails and corner step. For easier loading and unloading of equipment and materials, the Super Tray also benefits from two-piece, quick lock drop sides.

With a payload of approximately 1900kg, the Super Tray is an attractive option for tradies or contractors who may have outgrown their utilities or 4x4s; the models also offer the convenience of a car licence-friendly 4,495kg GVM and 3.5t braked towing capacity, allowing users to tow a machinery or tool trailer comfortably and legally.

Powering the new model is IVECO’s latest 3.0l Euro6 turbodiesel engine which produces 180hp (132kW) and 430Nm of torque. The unit is matched to a market-leading 8-Speed full automatic transmission, providing seamless power delivery, ultra-fast gear changes and a car-like driving experience.

Other benefits of the Daily cab chassis include a full range of safety equipment such as front and rear ABS brakes, DRLs, four airbags, Hill Holder, Advanced Emergency Braking System (AEBS), Adaptive Cruise Control (ACC) and Anti-slip regulator (ASR), which forms part of IVECO’s coveted ‘ESP9’ suite of electronic stability technologies.

Inside the cabin, owners are provided with a quiet and comfortable driving environment, with appointments including the Hi-Connect multimedia system with Apple CarPlay and Android Auto, and soft-touch steering wheel.

The Daily Tradie Made Super Tray's extended warranty of 5 years / 250,000 is available for vehicles retailed prior to 30 June, 2023 and represents an increase of 2 years / 50,000 kilometres over the standard warranty.

Super Tray models will be available shortly from IVECO Dealers nationwide.

ends

Iveco in Australia

IVECO is a proud manufacturer and importer of commercial vehicles spanning the light, medium and heavy duty truck segments and also has a range of minibuses. The commercial vehicle range includes on and off-road models from car licence vans through to prime movers rated up to 70 tonnes GCM and minibuses from 11 seats to 21 seats. All models are designed and tested to meet Australia's demanding operating requirements. The extensive product line-up includes Daily, Eurocargo, ACCO, Stralis, X-Way, Trakker and Astra models. IVECO vehicles are supported in Australia by a dedicated network of over 60 dealerships and parts and service outlets strategically located nationwide, offering aftersales services that include extended warranties, breakdown support packages and personalised maintenance contracts.
